Netcom Technologies, Inc. Announces Relocation of Headquarters Office in August

Netcom Technologies, Inc. (Netcom), a leading infrastructure and physical security solutions provider announced today, June 28, 2010 that it will be relocating its corporate offices to 7668A Standish Place, Rockville, MD 20855 in August 2010.

Roy Rea, the President and CEO of Netcom, stated "Due to our continued growth with commercial and government contracts, Netcom needs to relocate to a larger, more modern facility. Our new facility will be able to accommodate future space requirements."

Netcom will be hosting an "open house" for our customers, suppliers and partners in September.

About Netcom:

For the past 23 years, NETCOM Technologies, Inc., a privately held corporation, has consistently proven its ability to deliver "best value" inside and outside cable plant, IP video and security infrastructure, and telephony solutions to both public and private sectors. NETCOM has evolved from a regional cable plant installation provider into a nationwide provider of comprehensive and secure telecommunications infrastructure and security services.
